

08/10/2022

Dear friends,

On behalf of our colleagues in the organising committee we warmly invite you to join us for the 20th anniversary congress of the International Academy of Cosmetic Dermatology, hosted by the Maltese Association of Dermatology and Venereology, at Xara Lodge, Rabat 3-5 November 2022.

We have a top-class faculty of expert speakers from over 20 countries for what will be the first big Dermatology meeting in Malta with a no-hybrid, no-online policy after the long Covid period.

The programme promises a veritable feast of Dermatology with the latest advances in cosmetic dermatology, the science of skin ageing and much more including updates on monkeypox, dermatoses in pigmented skin, Covid dermatology, dermatoses of pregnancy and psycho-dermatology.

Doctors, nurses, pharmacists and allied health professionals and students are all very welcome to attend. The aim is to provide attendees with useful information that can be applied to daily practice for the benefit of patients. The event will also be a good networking opportunity for all those interested in Dermatology to interact with a top faculty on a one-to-one basis, unlike the very limited possibilities at larger meetings.

There are very attractive registration fees for local participants and we hope you will be able to join us!
